

Business Owner and Professionals Book Project Questionnaire

The following are thought-provoking prompts to inspire small business owners and business professionals to develop a more detailed and comprehensive plan for writing, publishing, marketing and promoting their book, as well as identify their level of involvement in the writing process and the level of communication and feedback they expect from their book project consultant or ghostwriter. This will help ensure a successful book project and a high-quality final product that meets their needs and goals.

What inspired you to write a book, and what do you hope to achieve with your book?

•	What has been your experience in your field or industry that makes you feel you
	have a book's worth of knowledge to share?

 What problem do you think your book will help solve, and why do you think it's important to address that problem?

 How will your book contribute to your personal or professional goals, and what impact do you hope it will have on your readers?

Who is your target audience, and what are their needs and interests?

CC	tus and interests:
•	Who do you see benefiting the most from reading your book, and why?
•	What specific challenges or pain points do you think your target audience is facing, and how can your book help them overcome those challenges?
